ETC 33 FRIDLEY COMMUNICATIONS WORKSHOP

Fall 1994

ETC 33 Elects New Board Members

On September 7th ETC 33 held its annual General Membership Meeting. This event is an open forum, open to all members of the Workshop, to discuss station policy, rules, and help plan events. It is also an opportunity to vote for members of the ETC 33 Board of Directors.

This year the following members were re-elected for new

ETC Board and friends (back row from l to r) : Paula Neuman-Scott, Todd Lindberg, Richard "A-Bomb" Klatte, David Harvet, Jeff Lindberg, Mark Hotchkiss, Karla Rydrych, John Bauer, and Craig "Bubba" Chura. (front row) Mark Neuman-Scott, Joe Kerner. Not pictured: John P. King and Clyde Moravetz.

two-year terms: Joe Kerner, Richard Klatte, Clyde Moravetz, and Mark Neuman-Scott. Another familiar face was re-elected to the Board after a two year absence. John P. King was re-elected on after a strong

write-in campaign. Leaving the Board in pursuit of other challenges were four year Board Member Elaine Sorensen and Mark Ratzel. We wish them well in their future endeavors.

Thank you to all who attended and congratulations to all new-/returning Board Members! If you are interested in learning how you can become involved in running ETC 33 call the office at 571-9144. Remember, we are YOUR public access T.V. station!

Access Thoughts FROM THE DIRECTOR

by T. J. Larson

Transitions can often be challenging. But change is an inevitable part of life. This year, after four years of solid leadership, Mark Hotchkiss has stepped down as Chair of ETC 33 to make room for new faces and fresh ideas, as well as make more time in his already jam-packed schedule for his family. I'd like to take this opportunity to thank Mark for all of his hard work and dedication to ETC 33. While he will remain an active Board Member, I will miss his guidance and advice which he gave so generously. Thanks a million, Mark!

Taking over as Chair will be a familiar face around ETC 33, Joe Kerner. Joe has a very strong commitment to access T.V. and we are excited by what he will offer as our new fearless leader. I look forward to working with him to ensure the quality of services and equipment will remain top-notch for years to come. Kudos to both men for demonstrating their passion for ETC 33!

Communications With THE COORDINATOR

by Karla Rydrych

After a busy spring filled with classes, this summer has proved to be a recharging period, for what will certainly be a very busy fall. On September 7th we held our Annual General Membership Meeting. We elected Board Members and discussed issues concerning the Workshop. Later in the fall staff attended the Minnesota Community Media (formerly the LCPMN) Fall Conference. This year's two day conference, held in Duluth October 7-8, included many workshops of interest to public access users and staff. And don't forget the 7th annual Halloween Bloodmobile on Oct. 31st! If you would like more information give us a call or stop by the office.

Before I sign off, I would also like to take the opportunity to encourage everyone to stay up to date on their memberships (see below). Hope to see you at the station!

WHY MEMBERSHIP MATTERS

In just a few short months, ETC 33 will enter its 20th year of operation. Incorporated in December of 1975, ETC 33 is the oldest access center in the state and there is no doubt that the organization owes much of its success to its members.

A membership at ETC 33 does not involve a huge financial commitment (\$9 students/seniors, \$16 regular, \$26 family and \$150 organizations for one year), but offers many benefits in return. How often does the average television viewer get the chance to "talk

back"? ETC 33 Gives you the opportunity to express opinions and create programming not ordinarily seen on network T.V..

A membership allows you access to portable S-VHS cameras, 4 camera studio, A/B roll editing, 2 Video Toasters and more! The Workshop also holds classes at reasonable rates (\$10-\$15) as well as special events, tours, internships, college courses, and even the newsletter you are reading right now!

While we are always on the lookout for new members, we want to stress the importance of your renewing YOUR membership! Renewing is your way of saying: "I support public access T.V.." If ETC 33 is going to continue to serve as an outlet for information, expression, and equipment, into the 21st century, we cannot do it without a strong and vital membership base.

It all starts with YOU!

If you would like more information on membership, call ETC 33 at 571-9144. We now offer a \$5 patron membership for those who wish to show support but do not want to use the equipment.

7th Annual Halloween Bloodmobile Scheduled

For the 7th straight year, ETC 33 is proud to participate in a Halloween Bloodmobile. Working with FMTV 31 (the Fridley Municipal Channel) and NC 34 (Paragon's Local Origination), the all day event is set for Monday October 31st from 1:00pm - 6:00pm in the studio.

The bloodmobile is like a Halloween party with a cause. Everyone who attends is encouraged to wear a costume and it will be cablecast live on all three channels. There will be door prizes, refreshments, and more with all donations going to the American Red Cross. To sign up, call 571-9144.

20th Anniversary Celebration

ETC 33 is currently looking at options on how to celebrate our 20th year of operation. As you may know, ETC 33 is the oldest public access center in the state of Minnesota and one of the oldest in the country. Richard Klatt and Craig Chura have begun working on a retrospective documentary on the Workshop and there is talk of having a huge banquet where members and staff from past to present would be invited. If you have any ideas on how we can best celebrate this momentous occasion give the office a call at 571-9144 or stop by and chat with us. We really want to make 1995 a very special year at ETC 33 as we gear up for the challenges of 20 more years of excellence in access!
